

NW SUPERIOR SUBAREA PLANNING PROJECT

Let's continue the conversation regarding the future of Original Town!

The Town of Superior's Planning Commission invites you to participate in a follow-up community meeting regarding the future of Original Town. This conversation will build on input received from residents as part of the Original Town walking tour and workshop in July, and ongoing community engagement efforts related to Northwest Superior.

Participants will have an opportunity to review and provide input on a preliminary framework for potential design standards and incentives for Original Town.
